

Dear Recruiter,

This letter is to express my interest in any open position of Project Manager/Lead Software Developer. Any of these positions are very appealing to me and I believe that my strong technical experience and education make me a competitive candidate for these.

The key strengths that I possess to find success on this position include, but are not limited to, the following:

- Expertise in .NET Technologies
- Proficient Database Designer and Handler
- Excellent Analytical & Reasoning Abilities
- Excellent Code Reuse Abilities
- Proficient Internet Based Marketer
- Good Communication Skills
- Eager to Learn New Things
- Strive for Continued Excellence
- Can handle mid to large scale projects
- Able to work individually or in a team

With 'Bachelor of Technology (Computer Science & Engineering)' plus nine years of industry experience in Analyzing, Designing, Developing & Promoting Software Applications (both windows and web based) I have gone through most of Software Development tactics. My experience includes but is not limited to:

- Project Planning and Architecture Design
- Project Implementation and Management
- Problem Analysis and Isolation
- Process Documentation and Improvement

Please explore enclosed resume for additional information about me. I can be reached anytime by email ([arshad@cherisys.com](mailto:arshad@cherisys.com)) or on mobile (+966-535614814). Thank you for your time and consideration. I look forward to listen from you soon.

Regards,  
Mohd Arshad
